SEDAN AND STATION WAGON

Falcon Sedan and Station Wagon

Check it out. The lowest-priced Falcons offer you more newness, more performance, more room and comfort than some cars costing much, much more.

In either Sedan or Station Wagon, you'll get the great thrift of the Ford 3.1 litre 'six'. You'll get Falcon's smoother handling, better vision, bold new style and a long list of standard equipment.

You'll have an even finer ride . . . solid, smooth, quiet . . . spread over the big 111-inch wheelbase with 58.9-inch track for wide-stance stability.

And just see what happens when you add a few of the options (moderately priced, they let you enjoy your motoring more and keep your car's value high).

Standard Equipment Highlights:

Power Team: 3.1 litre, 118 horsepower 'six' and heavy duty 3-speed manual transmission.

Big 10-inch self-adjusting brakes with thicker linings Heavy-duty rubber floor mats Sound-deadening and insulating materials surrounding the passenger compartment Big smooth-riding 6.95 X14 tyres on 5 JJ safety rims (Sedan), 7.35 X14 tyres

(Wagon) Collapsible steering column Dual brake system Fully cushioned instrument panel Padded steering wheel hub Recessed controls Long 16-inch windscreen wiper blades Windscreen washers Seat belts Exterior rear vision mirror Reversing lights.

Popular Options Include:
